

Mail Order Prescriptions

RX Cost Savings

Maintenance medications account for **74%** of your plan's drug costs. Clear Script's Mail Services program through Fairview Specialty Pharmacy offers an effective means of managing maintenance medication costs with a 90-day supply (member cost equals 2 copays versus purchasing retail for 3 copays).

- ✓ Convenient, free home delivery
- ✓ Easy refills
- ✓ Pharmacists available for medication counseling
- ✓ Cost savings versus local pharmacies
- ✓ Flexible program options that align with your program goals
- ✓ Up to **6% plan savings** through deeper mail service discounts
- ✓ Potential improved adherence with 90-days supply
- ✓ URAC accredited

Member Plan Advantages Mail Services Program Options

Clear Script offers a range of options to promote the mail service program. More members filling 90-days supply through the mail service = more plan savings. You decide the right option for your plan.

Copay Designs and Member Awareness

- Copay designs offer financial incentives to promote mail service
- General mailing campaigns provide awareness of cost savings and convenience of mail service

Maintenance Advantage

- Mailing campaigns target members currently using maintenance medications
- Informs members of potential annual savings by switching to mail service

Refill Allowance

- Allowing 1-2 refills locally, the plan requires maintenance coverage via mail service.
- Mailing campaigns inform members of the need to transfer to mail service
